

I'm Patrick, nice to meet you!

We envision Patrick living a life filled with opportunities that include graduating with a high school diploma, attending post-secondary education, a job that he enjoys and living independently. We expect that he will develop strong personal relationships through his life and access to the support necessary to engage his community.

Interests & Hobbies

Friendly & social
Superheroes & Marvel movies
Watching basketball
Playing wheelchair basketball
Legos, building and puzzles
Video games

Strengths & Capabilities

Hard working & determined
Savvy with technology
Smart & fast learner
Hands on learner
Expressive
Resourceful
Good sense of humor
Able to navigate accessible spaces independently with the use of wheelchair

What works

Being able to access all environments in the community
Being asked if I need help
Presume Competence
Being given access to peers & age appropriate opportunities

What doesn't work

Not having accessible spaces
Assuming little of me
Doing everything for me
Not having access to multi-modal learning opportunities
