

# I'm Jackson, nice to meet you!

We envision Jackson living a life filled with opportunities that include graduating with a high school diploma, attending post-secondary education, a job that he enjoys and living independently. We expect that he will develop strong personal relationships through his life and that he will grow into a strong self-advocate.

## Strengths & Capabilities

Smart & Capable  
Strong memory skills  
Attentive to detail  
Expressive & Excitable  
Resourceful

## What works

Giving me time, don't rush me  
Hands on learning - help me keep my hands busy  
Positive encouragement  
Partnering with good peer models to support social skill building  
Set expectations & routines  
Works well with visual reminders & schedules  
Presuming Competence

## Interests & Hobbies

Reading  
The color red  
Dinosaurs  
Science  
Playing outside & catching bugs  
Animals - My pet lizard Auggie  
Listening to music  
Sensory input activities  
Swimming & water play

## What doesn't work

Being rushed  
Not being given warnings/preparation  
Not having access to multi-modal learning opportunities  
People raising their voices  
Negative reinforcement  
Not having access to social modeling/peer interaction  
Not having a clear schedule/plan  
Assuming little of me
