

EMERGENCY PREPAREDNESS

Winter Storms

Social Story

CODSN

extreme cold

freezing rain

snow and ice

high winds

Winter Storms are when it is extremely cold outside. There may be freezing rain, snow and ice, or high winds.

winter storm

power outage

loss of communication

icy roads

During a Winter Storm we might loose power, our cell phones and computers might stop working, and the roads will be very icy.

no water

no bathroom toilet

MAKE A PLAN

Date _____

✓ when done

- ☐ _____

make a plan

warm & safe

During a Winter Storm the water might stop working and our bathroom toilets might not be able to flush. We can make a plan to help keep us warm and safe.

news

warning

ready

warm and safe

The news will give us a warning BEFORE the winter storm is coming. Knowing BEFORE the storm is coming helps us to know how to be ready and how to be warm and stay safe.

ready

blankets

food

water

toileting supplies

Here are some things we want to have to be ready for a winter storm. Blankets, food, water, and toileting supplies. When we get these things together we are making a plan to stay safe during a winter storm.

ready

flashlight

battery pack for phones

food for pets

safe

These are some more things we might need to have ready when a winter storm comes. Flashlights, battery packs to charge cell phones, and if we have a pet we should have extra pet food too. This is all part of the plan to keep us safe.

winter storm

warm and safe

make a plan

safe

We can stay safe and warm in a winter storm when we make a plan together. It feels good when we are together and safe!
